Welcome home to this modern classic in Druid Hills! Built in 2003, this home has all the features today's buyer is wanting with design features that blend seamlessly into this historic community. At the heart of the home, the Chef's kitchen complete with Thermador cooktop, commercial grade hood vent, 2 dishwashers, and loads of custom cabinet space is a dream come true. The rest of the main level flows with perfection into the dining, living, and even the screened porch with so much light and privacy. The natural views are breathtaking! You won't believe that you are 2 blocks from Emory and minutes to everything Atlanta has to offer. The owner's suite is a true retreat with claw foot tub, separate vanity areas, large walk in closet and a private balcony to over look the low maintenance backyard. 3 additional sunny bedrooms share a large hall bath with a double vanity. Large finished basement with new kitchen, bedrooms/flex spaces, full bath, and living room. A perfect in-law suite or apartment rental. Drive under 2 car garage and even a dumb waiter to transport your laundry and groceries from floor to floor with ease. Newer HVAC, tankless water heater, whole house water filter, central vac, private fenced yard, tree house. Just a short stroll to the restaurants and shops of Emory Village, CDC, and short commute to the new CHOA hospital.
